Supervision of Students ends 10 minutes after dismissal time. If you provide your child's transportation, please be punctual dropping off and picking up your child.

If you need to change your child's afternoon pick up, please let the front office know by **1:00 p.m.**

Early Release Days

There are two main purposes for students being dismissed early. The first is for staff to devote additional time for parent/teacher conferences. The second is for professional staff activities associated with coordinating student programs. **Every Monday will be an early release day. Early release day dismissal time is 1:30 p.m.** A current district calendar showing early release days and school holidays is posted on the schools' and district's websites.
